

Emergency and After-Hours Requests

An emergency is defined as a serious water leak or having completely lost service to your home. An after-hours service fee **MAY** be charged, depending on the circumstances. If it is a corporation leak, there will not be a fee charged and we appreciate being alerted to this matter.

Our service technicians will **not** be able to answer billing questions. Please contact the office during business hours, for matters relating to billing or meter reading.

Emergency after-hours phone numbers:

765-792-0240

765-792-0242

765-792-0248

Please call **ONE** of the numbers listed above. If no one answers, please leave a message including your name and address. A return call will be made to you.
